The Honorable Shirley A. Robin
 Secretary of the Army
 Washington, D. C. 20310

Dear Mrs.:

Thank you for your letter of 8 March inviting me to participate in the National Strategy Seminar. You undoubtedly know that Lt. General Robert R. Cushman, Jr., USMC, will be joining the Agency as my Deputy next month. I would like him to have the opportunity to address the Seminar. Given his past experience and the fact that the Seminar will not take place until June, I know he can represent our interests well and make a substantial contribution.

As soon as General Cushman is aboard I will ask him to contact your office to make the necessary arrangements.

Mascerely,

70/ Richard Holmes
